

**TOWN OF WESTPORT ISLAND**  
**6 Fowles Point Road**  
**Westport Island, ME 04578**

The Town of Westport Island Fire Department wants to insure the safety of its residents and firefighters when exposed to a fire that occurs near any underground Propane Storage Tank. Although the tank shall have visible protection for the exposed tank component, the knowledge of the tank's existence may prevent injury or loss of life.

To that end, the Town requests that you provide the following information to us. Please complete the data below, as available, and return this form to the CEO, the LPI or the Fire Chief.
