

THE *Friends* OF WESTPORT ISLAND HISTORY

is a new non-profit whose goal is to keep our town's heritage alive! The Friends of Westport Island History was formed to help preserve and expand the island's collections of records, photos, genealogy, family and business materials, maps, tools, and more!

Are you curious

about who lived here before us, where early families settled, and how people made their living from the land and the sea?

Are you interested

- In educating the public about our town's history?
- In collecting and sharing stories, designing exhibits, and presenting programs for the public?
- In acquiring historical records and artifacts related to the Island's history?
- In raising funds and building partnerships with schools and other history organizations?

Are you ready to learn more?

The Friends of Westport Island History would like to welcome you as a member and as a volunteer!

Please send in your membership dues (see back), along with your address and a few words about your interests on the back.
